CAREER OBJECTIVE

Looking for a role where I
can learn and grow by
example and through
hands-on experience.
Aiming to find a
rewarding job that
expands my hard skills
and soft skills, making an
impact either in the
company or the outside
world, and at the same
time helps me better
understand my career
path and direction.

EDUCATION

B.S. Cognitive Science w/ a Specialization in Machine Learning
Minor in Computer Science
University of California, San Diego
